

Grosse Pointe South High School - *POINTE PLAYERS CODE* - Constitution & Bylaws

I. MISSION STATEMENT

Pointe Players – Through investigation, discovery and artistry, the Pointe Players strive to create and share theatrical experiences that impact and enlighten in a meaningful way.

In fulfilling this aim, the organization hopes to give all interested students at Grosse Pointe South a chance to express themselves and entertain or design through stagecraft. We further hope that this club may be of assistance to other school and community groups, which at one time or another enter the field of drama. Theatre training is an essential part of the fundamental education of all high school students, and - in accordance with this fact - our energies and resources are devoted to its promotion and advancement. We strive to have all students be cognizant of the bond between theatre and all aspects of daily life.

Membership earned when a student participates actively in any of South's Theatre events, which include, but are not limited to acting/technical roles in the *Fall Play*, the *One-Acts*, the *Musical*, and attendance at *theatre festival events*.

Thespian Troupe #49 is the honor component of South's theatre program. Its purpose is the advancement of standards of excellence in theatre. More specifically, the troupe encourages students to attain a better mastery of the theatre arts and rewards those who achieve it with induction into the troupe, by the accumulation of points for outstanding contributions in all aspects of theatre. Thespians achieving honor ranks receive recognition of their exemplary feat. This CODE acts as a guide upon which the life of the club is built. Wise administration will make this document flexible enough to be fair, and rigid enough to make Pointe Players a sound and lasting institution at South High School.
